

I listen to K-LOVE every day on my way to work and home. K-Love makes my day go a lot smoother and reminds me that I am not the only one with problems. Listening to K-LOVE helps me keep a servant heart and a friendly attitude to all. It also helps me keep focused on God and his will daily.

I feel that if K-LOVE taken out of Tucson AZ it would hurt the community in many ways. Tucson has a bad crime problem and I feel that K-LOVE helps keep the crime down, reminds people that God loves them and wants to help them through all the hard and good times. K-LOVE also gives the community a sense of relaxation, and relief from the everyday fast paced world.

The service that K-LOVE provides to our community is very important. It allows a way that people can hear the word of God in private, gives Christian men and women courage to share God's word with others, provides good ethical and moral music for our children, youth, and even adults, and many other things. Taking away K-LOVE would be taking away a part of Tucson that I love. Please do not allow this to happen.
